

KL College Fair Fall 2018

■ About KNOWLEDGELINK

Founded in 2012, KNOWLEDGELINK Group Inc. is based in Boston, MA. We partner with visionary educational leaders to define and shape the future of international education. Through our global schools and innovative exchange programs, we provide thousands of teachers and students every year with the opportunity to learn and grow together as true global citizens.

Over 280 schools in 40 states in USA and 30 provincial key high schools and top private schools in China have dazzled into the global education network of KL, helping more than 1,000 high school students to be admitted by the colleges in USA, Canada, Australia, UK, South Korea and Japan, etc. And we have around 2,000 students enrolled in our schools in China. For more information about KL, please visit our website kleducation.org or nuolinguoji.com.

■ Fair Highlights

KL College Fair is the best way to reach Chinese students and build long-term connections with college counselors. During the fair, you receive the opportunity to engage with thousands of students from various schools in China. We incorporate a variety of events into our fair to ensure maximum engagement, including **lectures, panel discussions, booth tours, campus visits and counselor workshops**. Our events are interactive, engaging and fun—for both students and university reps.
